Re: Transfer of two Notices of Intention, Quartz Lode/Dixie Ann Exploration Project (E/017/035) from Anasazi Gold, LLC, and Gold Queen Small Mining Project (S/017/035) from MCW Enterprises, LLC, to Martinique Mining Corporation, Garfield County, Utah

Dear Mr. Wilson:

On July 12, 2001, we received two completed Transfers of Notice of Intention. One transfer is for the Quartz Lode / Dixie Ann exploration project, located in portions of Sections 34 and 35, Township 32 South, Range 10 East, to be transferred from Anasazi Gold, LLC. The other transfer is for the Gold Queen small mining project, located in portions of Section 28, Township 32 South, Range 11 East to be transferred from MCW Enterprises, LLC. Both projects are being transferred to Martinique Mining Corporation. Before the transfers could be processed, a site inspection needed to be completed. On October 25, 2001, the BLM and Division performed a joint inspection of the sites.

The Division Director signed and executed the transfer documents on December 5, 2001, *which effectively transfers the responsibility of the exploration and mining operations and reclamation to you.* Copies of the two executed transfer forms are enclosed for your files. **You are now the official party responsible for all exploration and mining operations and all reclamation obligations for these two projects.**

By copy of this letter the Division hereby officially releases Anasazi Gold, LLC from any further exploration or reclamation obligations at the Quartz Lode/Dixie Ann Exploration Project and MCW Enterprises, LLC from any further mining or reclamation obligations at the Gold Queen Small Mining Project. Thank you for your help in finalizing these transactions. If you
